THE Calhoun SCHOOL

Keeping Our Community Safe

Here are some important steps your family can take each day to help keep you and our community safe.

COMPLETE THE DAILY HEALTH CHECK.
Respond to the brief health questionnaire every morning before going to school.

WEAR A MASK.
All students and community members should wear a face mask or covering when they're in school buildings. Face masks should fit snugly over both nose and mouth.

KEEP YOUR CHILD HOME IF THEY FEEL SICK.
If your child is exhibiting symptoms of illness, please keep them home from school. If your child develops symptoms while at school, arrange for them to be picked up promptly.

COMMIT TO HEALTHY HABITS IN AND OUT OF SCHOOL.
Wash and sanitize hands often, wear masks covering your nose and mouth in public, cough and sneeze into your elbow, and maintain physical distancing.

Need support? *Contact School Nurse Lisa Moldowsky (lisa.moldowsky@calhoun.org) for any school-related health questions.*
